This article was originally published online on 14 July 2014 with the following errors:

1. A notation was omitted in Reference 84. This error was corrected in all online versions of the article on 15 July 2014; the reference is correct as it appears in the printed version of the journal.
2. There were several errors in Eqs. (7) and (15). Equation (7) should be

$$\begin{aligned} \mathcal{O}_{\text{KS}} = & \sum_{pq} F_{pq} a_p^\dagger a_q \\ & + \sum_{cdkl} [\Omega_{clkd} a_c^\dagger a_k a_l^\dagger a_d + \Omega_{cdkl} (a_c^\dagger a_d^\dagger a_l a_k + a_l^\dagger a_k^\dagger a_c a_d)], \end{aligned} \quad (7)$$

and Eq. (15) should be

$$\begin{aligned} \mathcal{O}_{\text{KS}} = & \sum_{pq} \left(h_{pq}^0 + g_{pq} + \sum_m \Pi_{pmqm} \right) a_p^\dagger a_q \\ & + \sum_{cdkl} [(\Pi_{clkd} + \omega_{clkd}) a_c^\dagger a_k a_l^\dagger a_d \\ & + (\Pi_{cdkl} + \omega_{cdkl}) (a_c^\dagger a_d^\dagger a_l a_k + a_l^\dagger a_k^\dagger a_c a_d)]. \end{aligned} \quad (15)$$

These errors were corrected in all online versions of the article on 25 July 2014.

AIP Publishing apologizes for these errors.
