OFFICE OF INSTITUTIONAL RESEARCH AND EFFECTIVENESS

The University of Texas-Pan American's Office of Institutional Research and Effectiveness (OIRE) is a component of the Office of the President, supporting and coordinating institutional planning, evaluation, policy analysis and institutional research. OIRE is the custodian of official institutional numbers. We report to the Texas Higher Education Coordinating Board and the U. S. Department of Education through IPEDS (Integrated Postsecondary Education Data System), prepare the Common Data Set, and answer institutional surveys.

OIRE at UTPA is entering a new era where emphasis will move from simply providing data to customers, to conducting operational research to aid executive management in decision making. The office will continue to provide data, but will do so increasingly through a data warehouse that is being developed and will be introduced to the university in the fall of 2004.

Since UTPA has a somewhat decentralized "institutional research" function, there are analysts who serve the immediate and focused needs of their divisions in Academic Affairs, Business Affairs, Enrollment and Student Services, and External Affairs. The OIRE supplies these offices with raw data and reports about specific topics, and, conversely, has relied upon these offices for data information on projects that cross divisions or engage the entire university. We are proud of our collaborative relationships across campus and will continue to maximize our resources by working with others to improve UTPA.

UTPA FAST FACTS

- First in the nation in number of bilingual education graduates.
- First in the nation for educating Mexican American students.
- Second in Texas for initial educator certificates.
- Second in the nation in the number of bachelor's degrees awarded to Hispanics.
- Fourth in Texas for number of teacher graduates.
- Fifth in the nation in the number of master's degrees awarded to Hispanics.
- World's largest computerized collection of Mexican American folklore in the University's Rio Grande Valley Folklore Archive.
- Ranked in the top 10 in bachelor's degrees awarded to Hispanics in many academic programs.
 - 2 in Chemistry
 - 2 in Health Sciences
 - 2 in Multidisciplinary Studies
 - 3 in English Literature
 - 3 in Mathematics
 - 6 in Foreign Language
 - 7 in Biological Sciences
 - 7 in Business and Marketing
 - 7 in Protective Services
 - 9 in Public Administration
 - 10 in Engineering
- Largest number and percent of Hispanic students among state's universities
- Degree Programs

Bachelor's	56
Master's	46
Doctorate	2
Cooperative Doctorate	1
- Academic Programs with Professional Accreditation 30
- Annual Budget \$153 million (FY 2003)
- Research Expenditures \$3,193,419 (FY 2003)
- Net Acres 264.94
- Student Headcount per Acre 60

Glossary

Academic Year -

An Academic Year for UTPA begins with the fall semester of one year and ends with the last summer session of the following year. Academic Year 2003, for example, began during fall of 2002 and reached completion at the end of summer 2003. The Academic Year is equal to the institution's Fiscal Year which runs from September 1 to August 31.

Cohort -

See First-time Full-time Freshman.

Continuing Registration -

A student who has previously been enrolled at the university and has not missed any regular semester. This term includes internal transfers which are students that transfer from one college to another within the university.

Duplicated Recipient -

A student who is counted each time he receives a financial award during an Academic Year.

First-time Full-time Freshman -

A student enrolled for 12 or more semester credits who is an entering freshman who has never attended any college. Includes students enrolled in the fall term who attended college for the first time in the prior summer term. Also includes students who entered with advanced standing (college credits earned before graduation from high school). Same as Cohort.

Glossary

First-time Transfer Admit -

A student transferring for the first time into UTPA that attended another accredited college or university other than UTPA.

Fiscal Year -

A fiscal year for UTPA begins September 1st of one year and ends August 31st of the following year. Fiscal Year 2003, for example, began September 1, 2002 and was completed on August 31, 2003.

Freshman Admit -

A student enrolling for the first time at UTPA in the fall. Includes both full-time and part-time. Does not include the prior summer.

Full-time Equivalent for Faculty -

A faculty member's full-time teaching load is normally four (4) courses producing 3 credit hours each. A faculty member teaching three (3) courses is said to produce an FTE of .75.

Full-time Equivalent -

A method of student workload measurement used for comparison analysis. A student enrolled for six (6) credit hours, for example, would have an FTE of .5 (in other words, the student is equivalent to half a full-time student). The .5 FTE is computed when the six (6) hours are divided into the normal amount of hours in which a full-time student would be enrolled (in this case, twelve). At the institutional level, FTE is computed when the SCH Production of the entire population is divided by twelve (again, the SCH Production of an "average" student). In this example, a student taking twelve (12) hours would provide an FTE of 1 to the total computed FTE for the institution. At the same time, a student taking nine (9) hours would produce less than one FTE while a student taking fifteen (15) hours would produce an FTE greater than one. Undergraduate FTE is calculated by dividing the total undergraduate SCH by 12. The graduate FTE is calculated by dividing the total graduate SCH by 9.

Glossary

Graduate Admit -

A person enrolled at the graduate level either for the first time or is reapplying after missing a major semester.

Internal Transfer -

A student who remains enrolled in UTPA but transfers from one college to another.

Non-Degree -

Not seeking a degree. A student enrolled in courses for credit who is not recognized by the institution as seeking a degree or formal award.

Non-Duplicated Recipient -

A student who may receive more than one financial award but is counted only once in a given Fiscal Year.

Readmit -

A former student who has interrupted his attendance for one or more terms of the Academic Year and returns **with no** credit hours from another post-secondary institution. Also known as a Returning Student or Stop-Out.

Special Admit -

A student who is not a candidate for a degree, diploma, certificate or equivalent award although taking courses in regular classes with other students. Includes high school students earning concurrent enrollment and advance placement credits for the first time.

Transfer Admit -

Student that has attended an accredited college or university other than, or in addition to, UTPA, but is not transferring for the first time.

Undergraduate Admit -

A student attending any institution in the fall for the first time at the level enrolled. Includes full-time and part-time students.
