Dear Sir:

Referring to your request for amount of fruit harvested from your orchard by this company during past five years. In 1929 we bought fruit from six acres from you and paid you $1500.00.

In 1930 we purchased all your crop and paid you $1200.00.

Your orchard of 11 acres at present time is worth in my opinion at least $1200.00 per acre.

If anyone is entitled to government loan, I think that you are.

Yours truly,

South Texas Produce Company
