Congress of the United States
House of Representatives
Washington, D.C. 20515

FOR IMMEDIATE RELEASE

13 March 1974.

WASHINGTON, D C--Rep Kika de la Garza has been appointed by House Agriculture Committee Chairman W R Poage as a member of an Ad Hoc Subcommittee to consider legislation extending the Sugar Act, which is scheduled to expire at the end of this year.

"Since South Texas now has an allocation for the production of cane sugar, our area has a very direct interest in this legislation," Rep de la Garza said. "I welcome the opportunity to serve on this Ad Hoc committee and feel that Chairman Poage has honored not me as an individual, but the area which I represent."

The sugar allocation for South Texas was granted last year, the culmination of many years of effort. The Sugar mill for Texas was dedicated last November and House Agriculture Committee Chairman W R Poage made the dedicating address, having been introduced by Rep de la Garza.
