Congress of the United States
House of Representatives
Washington, D.C. 20515

FOR IMMEDIATE RELEASE

6 May 1975

FROM: Kika de la Garza

Washington, D C -- Rep Kika de la Garza honored two high-ranking municipal officials of Munich, Germany, on Tuesday at a reception attended by a large number of members of the House of Representatives, the German Ambassador to the United States, Federal law enforcement and immigration officials, and representatives of the District of Columbia government.

The honored guests were Deputy Mayor Eckhart Mueller-*Heydenreich* and Dr Manfred Schreiber, President of the German Police Chiefs Association and Munich police commissioner.

Congressman de la Garza recalled that Commissioner Schreiber spent some time in South Texas in the fall of 1973, visiting several city police departments during his stay in the area.

Deputy Mayor Mueller/*Heydenreich* and the Commissioner were in Washington to study methods used by this country in dealing with the problem of alien workers. The West German government now finds itself with similar alien problems as the USA.

Congressman de la Garza arranged for the Munich officials to meet informally with members of the House Judiciary Immigration Subcommittee.

Speaker Carl Albert and House floor leaders from both parties, FBI Director Clarence Kelly, and U S Immigration Commissioner General Leonard Chapman attended the reception hosted by the South Texas Congressman. The reception was held in the Speaker's Dining Room in the Capitol.
