MEDICAL CLINIC APPROVED FOR HOMEPORT INGLESIDE

(WASHINGTON, DC) - South Texas Congressman E "Kika" de la Garza expressed his pleasure today with the Navy's announcement that a contract has been awarded for the construction of a medical and dental clinic at Naval Station Ingleside. "This good news will mean the availability of basic fundamental services to satisfy the needs of authorized personnel and their dependents at the Naval Station," de la Garza said.

The joint venture project, awarded to Fulton Construction Corporation and Coastcon Corporation in the amount of \$1,948,000, will provide a single, 29,000 square-foot medical/dental clinic to adequately serve expected increased patient populations.

Completion of the project is expected by September 1992.
