## ANZALDUAS INTERNATIONAL CROSSING

WASHINGTON, DC -- South Texas Congressman Kika de la Garza today announced he had contacted the State Department in support of the Anzalduas International Crossing. This action follows the Representative's August inquiry to State checking on the Final Environmental Assessment for this project.

For several years the Cities of McAllen, Mission and Hidalgo have sought a Presidential Permit for the Anzalduas initiative -- a project which will connect western Hidalgo County and Reynosa, Mexico, via a multi-lane vehicular bridge and a bi-national highway.

In his letter to the State Department the 15th District Congressman urged that the Presidential Permit be approved. "Hopefully this goal will become a reality in the near future as it will offer travelers secure, quick and better routes to the U S and Mexican markets," Representative de la Garza said.
