

Submission Guide

NOTE: This year, as our Submission Portal, we will again be using the UTRGV Institutional Repository called “ScholarWorks”. This will allow us to capture your abstract for the Symposium as well as for the repository. Institutional Repositories (IRs) bring together all of a University's research under one umbrella, with an aim to preserve and provide access to that research. IRs are an excellent vehicle for working papers or copies of published articles and conference papers. Presentations, senior theses, and other works not published elsewhere can also be published in the IR.

The instructions to submit are as follows:

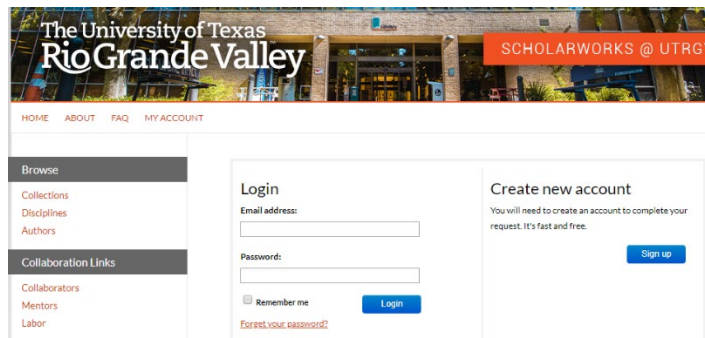

1. **Step # 1:** Go to <https://scholarworks.utrgv.edu/somrs/>

a. **Existing user:** if you already have an account, click on “My Account” (green arrow below), and log in using your account credentials. Then, skip the instructions for “New Users” below and go to Step 1-iv, “Submit Research”, of this guide.

- **NOTE:** The log in credentials may or may not be the same as your UTRGV login credentials. It depends on how you created your account.

b. **NEW users:** Under “Create new account”, click on “sign in” button (red arrow below).

- i. After clicking login in, you will see your **“My Account”** page.
- ii. Click on **“Edit Profile”**, then
